2.1WATER FLOW RATE
(GPM)

WATER SUPPLY LINES

M10, 3/8" CONNECTIONS

WARRANTY

This product is covered by a limited lifetime warranty.
Consult our website for complete details.

PRODUCT CARE

- Wipe the faucet with a damp cloth and a mild household cleaner.
- Dry with a soft cloth to maintain its original appearance.
- Remove hard-water stains with a 50/50 solution of vinegar and water.
- If mineral deposits are difficult to remove, especially from the aerator, unscrew the aerator by hand or with the tool provided. Soak it in a 50/50 vinegar-and-water solution for several hours. Rub it with your fingers and use a toothbrush to remove the mineral deposits. Reinstall the aerator in its original position.

STANDARDS COMPLIANCE

**PREMIUM
AERATOR**
